1948 COLLECTION

Matte Black pages 43, 93

Creativity Brings the Past to the Present

The commemorative 1948 collection pays homage to the year of Taymor's founding as well as the clean lines and geometric forms utilized in timber framing. Drawing inspiration from post-and-beam construction, these design features are embodied in the squared, stacked horizontal bars and connecting posts of the bath accessories, as well as the simple style and collarless rose of the levers.

SLIP STREAM COLLECTION

Polished Chrome pages 42, 90

Fluidity in Design

Soft angles and gliding contours create a graceful flow in Slip Stream, our curated line of exclusive door and bath hardware.

When form and function fuse and flow together in your bath hardware.

Design is only the beginning.

We serve as consultants to your project team, providing an end-to-end customer experience that delivers lasting value.

SPECIAL ORDER: THIS PRODUCT IS AVAILABLE FOR PROJECT ORDERS AND IN ADDITIONAL FUNCTIONS - MINIMUM QUANTITIES AND LEAD TIME APPLY.

# Egress from the ordinary

# Interconnected Locks

With its modern design and soft square lines, the Taymor Premier Interconnected lock is a departure from standard commercial-style offerings. Designed for multifamily housing or anywhere simultaneous retraction is required, the lock conforms to the California State Reference Code when paired with the Catana lever. It can also be combined with select Premier Line levers, offering more than 4,000 different combinations of style, trim, and finish options.

Simultaneous retraction: simply press the lever to unlock and open your door from inside

Interchangeable with most Taymor Premier Line levers

Easily harmonize interior levers to coordinate with the unit entry door

Conforms to the California State Reference Code when used with the Premier Catana lever

Concealed screw mount for a streamlined look

# Commercial Locks & Hardware

Designed for today's demanding architectural requirements, Taymor's comprehensive line of commercial hardware delivers consistent, dependable performance across an array of applications. From cylindrical locks and deadbolts to door closers and exit hardware; our commercial program has everything necessary to keep your entryways fully functional and up to code.

DUKE LOCKSET I SATIN CHROME

# **MAKING THE GRADE**

Taymor meets performance standards set by the Builders Hardware Manufacturers Association (BHMA) and the American National Standards Institute (ANSI) for builder's hardware. The standards are defined by grades in which there are progressive levels of performance benchmarks. The purpose of standardized ANSI/BHMA product grades is to help identify the quality and durability of door hardware through a series of operational and security tests.

ANSI GRADE 1 ANSI GRADE 2 ANSI GRADE 3

**Grade 1** is the strongest grade available for maximum duty commercial applications.

**Grade 2** is designed and built to offer excellent security and durability for heavyduty commercial applications.

**Grade 3** offers reliable security for both residential and light-commercial projects.

Combination of Grand Master & Double Knockout Construction Keying

Customer Specific Keying Available

# **Additional Services**

Custom logo keys

Custom escutcheon etching

Custom key stamping and cylinder marking

Minimum quantities and lead times apply. Please contact Taymor for details.

# **KEYWAY OPTIONS**

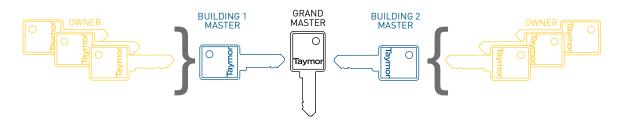

6-pin SC4 keyway for Premier Line 5-pin KW1 keyway for Builders Series **KEYED ALIKE (KA)** systems are a perfect solution for single-family homes where homeowners may want one key to open multiple locks; for example, the front entrance and the back door.

**KEYED DIFFERENT (KD)** systems are common in multi-family buildings where each unit opens with a unique key.

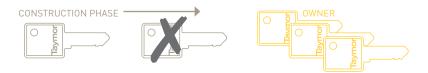

MASTER KEYING (MK) systems are common in multifamily, commercial and institutional buildings where multiple levels of building access are required. Individual units each have a unique key and the master key permits access to all units for maintenance, and management staff as well as first responders.

**GRAND MASTER KEYING (GMK)** allows the owner or strata responsible for multiple buildings to have one grand master key that operates all locks. Individual units have a unique key while each building has a master key that permits access to all areas—or to targeted areas—for tenants, maintenance, and management staff as well as first responders.

**CONSTRUCTION KEYING (CK)** allows the contractor of a project full access during the construction period. Once the owner's key is inserted, operation by the initial construction key is permanently disabled.

**DOUBLE KNOCKOUT CONSTRUCTION KEYING (CKRK)** adds a realtor key between the construction key and the owner key, which essentially allows a real estate professional to get temporary access until final handover to the buyer occurs. Once the owner's key is inserted, operation by the realtor key is permanently disabled.

TAYMOR CATALOGUE 2020 7.9

# **Escutcheon Etching**

Add an escutcheon plate to suite entry doors as a decorative enhancement. Escutcheon plates can also be personalized to include your real estate development's brand identity or logo of choice, for a consistent distinguished look throughout multi-unit buildings.

\*MINIMUM QUANTITIES AND LEAD TIMES APPLY. PLEASE CONTACT TAYMOR FOR DETAILS.

# **Warranty Information**

#### **DOOR HARDWARE & COMMERCIAL LOCKS & HARDWARE WARRANTY**

Taymor is pleased to offer a Mechanical and Finish Warranty against defects in materials and workmanship for one full year to the original purchaser, effective from the date of purchase, unless otherwise specified. This warranty excludes products that have been damaged through misuse, accidental damage, alteration, normal wear and tear, or the use of corrosive or abrasive cleaning agents. This warranty is non-transferable and applies to products installed in a residential setting. Commercial use is only covered for our Commercial products as outlined in the chart below. Taymor is not liable for damages caused by incorrect installation nor incidental or consequential damages. At the company's discretion, Taymor will replace any part or finish that proves to be defective in material and/or workmanship under normal installation, use and service.

<sup>\*\*</sup>Applies to Concierge electronic deadbolts only.

#### **BATH HARDWARE WARRANTY**

Taymor is pleased to offer a Limited Lifetime Warranty against defects in materials and workmanship, to the original consumer purchaser from the date of purchase, as long as the original consumer purchaser owns the home in which the product(s) are installed.

This warranty excludes products that have been damaged through misuse, accidental damage, alteration, normal wear and tear, or by the use of corrosive or abrasive cleaning agents. This warranty applies to products installed in a residential setting. Purchasers for industrial, commercial and business usage are covered by a 5 year limited warranty from the date of purchase.

Taymor is not liable for damages caused by incorrect installation nor incidental or consequential damages. At the company's discretion, Taymor will replace any part or finish that proves to be defective in material and/or workmanship under normal installation, use and service. This warranty does not cover shipping costs, labor costs or any other cost associated with the installation or replacement of the product/parts and is extended only to the original consumer purchaser of the product(s). The original sales receipt must be supplied to Taymor for all warranty claims.

#### **CARE & CLEANING TIPS**

Taymor uses advanced technology to create a finish highly resistant to the effects of weather and normal wear and tear. Over time, frequency of use will cause some finishes to gracefully age in appearance. Additionally, exposure to atmospheric conditions and elements such as cleaning chemicals may cause some changes to occur. These finish changes are not considered manufacturing defects and are not covered by warranty. Rather, they are indicative of normal wear and tear. As always, following the manufacturer's care instructions will safeguard the longevity of your cherished Taymor product.

D0: Clean the product with mild soap and warm water. For best results, dry immediately with a soft, clean cloth.

**DON'T:** Do not use abrasive sponges or scouring agents for cleaning. We also advise against the use of solvents or acidic cleaners, lime scale removers, household vinegar and cleaning agents containing acetic acid.

For additional information or questions regarding Taymor warranties, please contact our Customer Service team:

WEST | 800 267 4774 | custserv@taymor.com

EAST | 800 387 7064 | customerservicetor@taymor.com

# **Terms & Conditions**

#### **TERMS**

All terms and conditions are subject to change without notice. Invoices are due Net 30 days from date of invoice. Past due accounts are subject to a service charge of 2% per month.

#### **FREIGHT**

Taymor Warehouse orders are prepaid as per the following grid.

#### PREPAID FREIGHT ON ORDERS

\$500 or more	for British Columbia, Alberta, Saskatchewan, Manitoba, Ontario, Quebec, New Brunswick, Nova Scotia & Prince Edward Island
\$750 or more	for Northern Ontario, Northern Quebec & Newfoundland/Labrador

All orders to the Northwest Territories, Yukon & Nunavut are FOB Taymor unless otherwise specified

Warehouse orders not meeting the minimums specified above are FOB Taymor warehouse. Unless the method of transportation is specified at the time of order, we will use the most cost effective carrier available. Container Direct orders are not covered by the above. All freight specifics for Container Direct will be detailed at the time of order.

#### **BACK ORDERS**

Back orders will be shipped prepaid. If back orders are not desired, please specify on your original order.

#### **SHORTAGES & OTHER IRREGULARITIES**

Unless Taymor is notified within 5 days of receipt of shipment of any shortages or irregularities regarding quantities shipped, terms or conditions of sale, it will be assumed that the customer has accepted the order as shipped and invoiced. Customer must initiate and file a claim with the carrier for missing or damaged goods, as the carrier is responsible once they sign the bill of lading. Please note any discrepancies on the carrier's delivery slip before accepting shipment and request an inspection by the carrier.

#### **RETURNED GOODS POLICY**

- > Taymor considers all sales final.
- All returns require prior authorization. Please include R.G.A # (Returned Goods Agreement #) in each box returned complete with: item #, description, quantity, condition of goods and freight responsibility.
- > All documentation including packing slips, waybills and claims must prominently state the R.G.A #.
- > All unauthorized returns are subject to a 30% restocking charge, if accepted by Taymor.
- > Please contact your sales representative for further information.
- > All returned goods must be in saleable condition. Products/Goods returned in shop worn or severely damaged condition and/or missing parts will not be accepted. Please contact your Taymor Sales Associate for inspection and resolution prior to returning.
- > Products that have been purchased over 12 months prior to a return are subject to review by the Taymor Sales Associate prior to shipping to Taymor warehouses.
- > Discontinued and special order items cannot be returned.
- > Return transportation must be prepaid by the customer.
- > All credits will be issued at the invoiced price at the time of original purchase.

### **PRICES**

All prices are subject to change without notice. Errors and omissions are subject to corrections. Merchandise will be shipped at prices in effect at time of receipt of order. All prices are exclusive of GST/HST/QST and other taxes that may apply.
