### Design & Innovation

The pursuit of great design is central to everything we do at Taymor. It inspires our in-house product designers, guides our close collaboration with leading interior designers, and helps us create innovative and exclusive products that contribute to the success of any project.

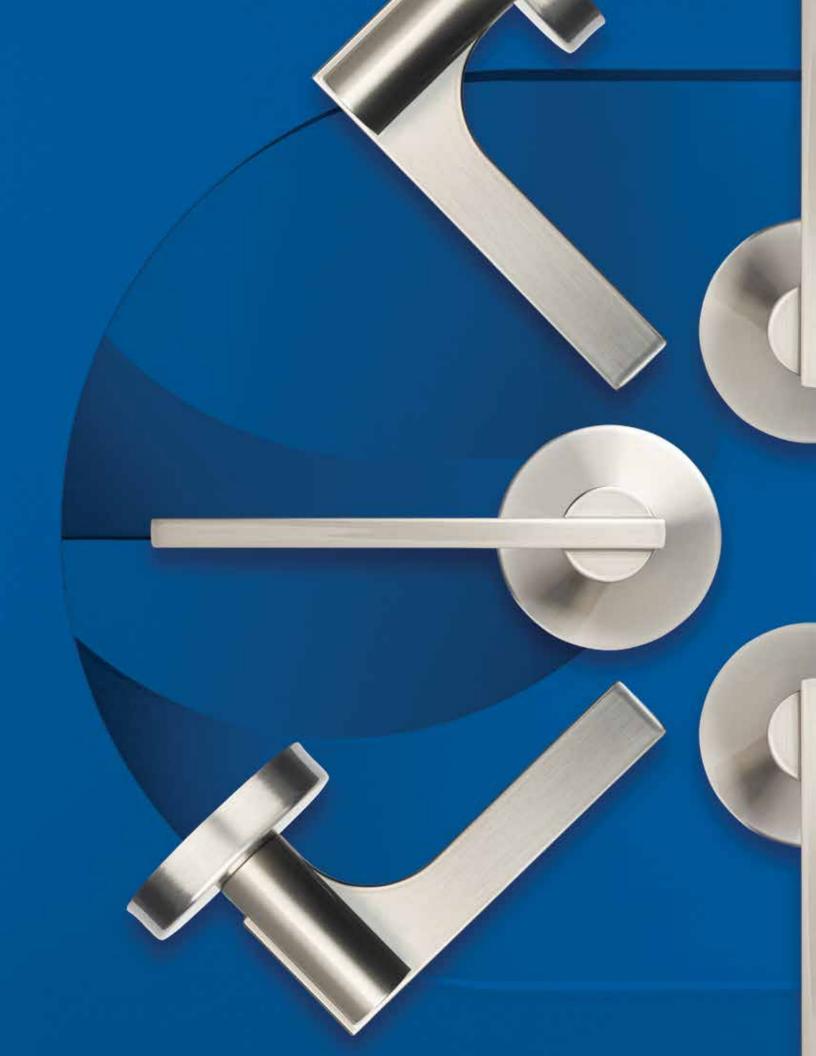

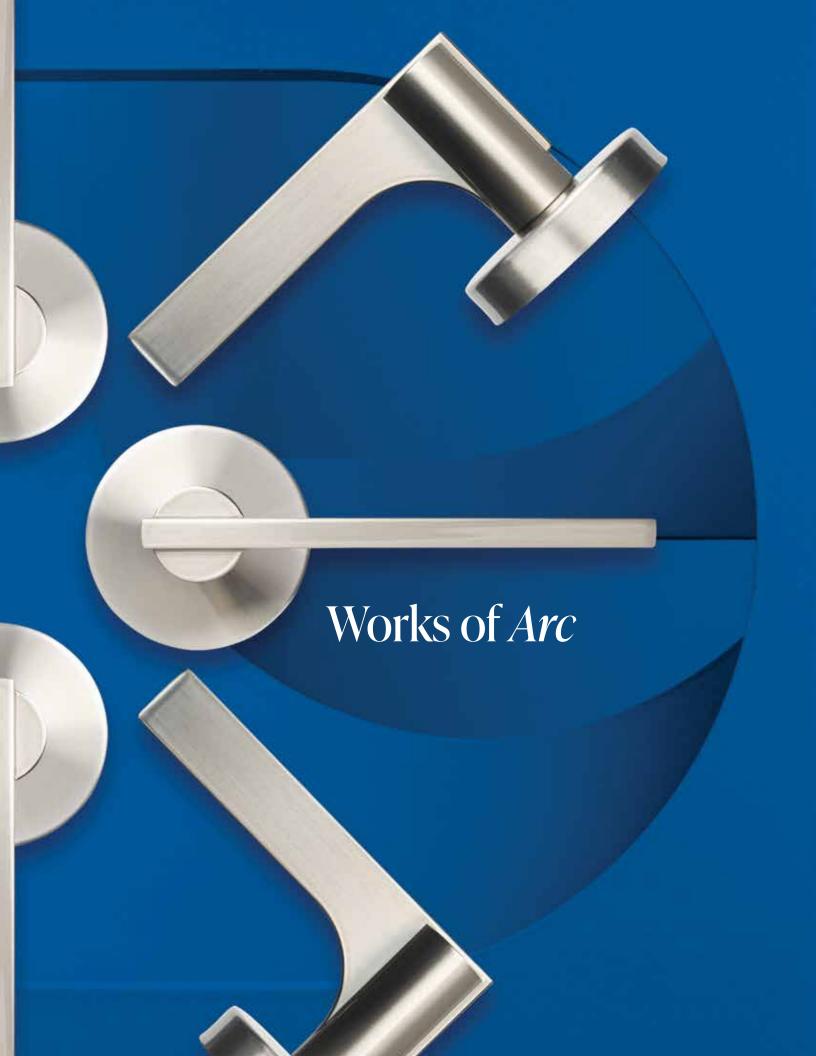

INTRODUCING Dual Harmony,

A SCULPTURAL COLLECTION FROM TAYMOR THAT FEATURES DUAL ELEMENTS AND DUAL FINISHES, PERFORMING IN SYMPHONY TOGETHER. MOVEABLE HOOKS PUNCTUATE THE BARS LIKE NOTES ACROSS A SHEET OF MUSIC. CUSTOMIZABLE, INTUITIVE, AND CONTEMPORARY, DUAL HARMONY DELIVERS INCREASED FUNCTIONALITY IN A REFINED FORM. BRING HARMONY TO THE BATHROOM, WITH A LIFESTYLE SOLUTION YOU CAN TAILOR FOR YOUR NEEDS.

# Message from *Vivian Zalkow* CEO

As we reflect on a year of transformational global change and look to the future, being a design-led company has never felt more important. Now more than ever, it's clear the spaces we call home have the power to enrich our lives and elevate our wellbeing—from serving as a source of comfort to being a point of long-lasting pride. At Taymor, thoughtful design that brings spaces to life has been at the heart of our offering for more than 70 years. I'm proud to say that tradition continues on every page of this catalogue.

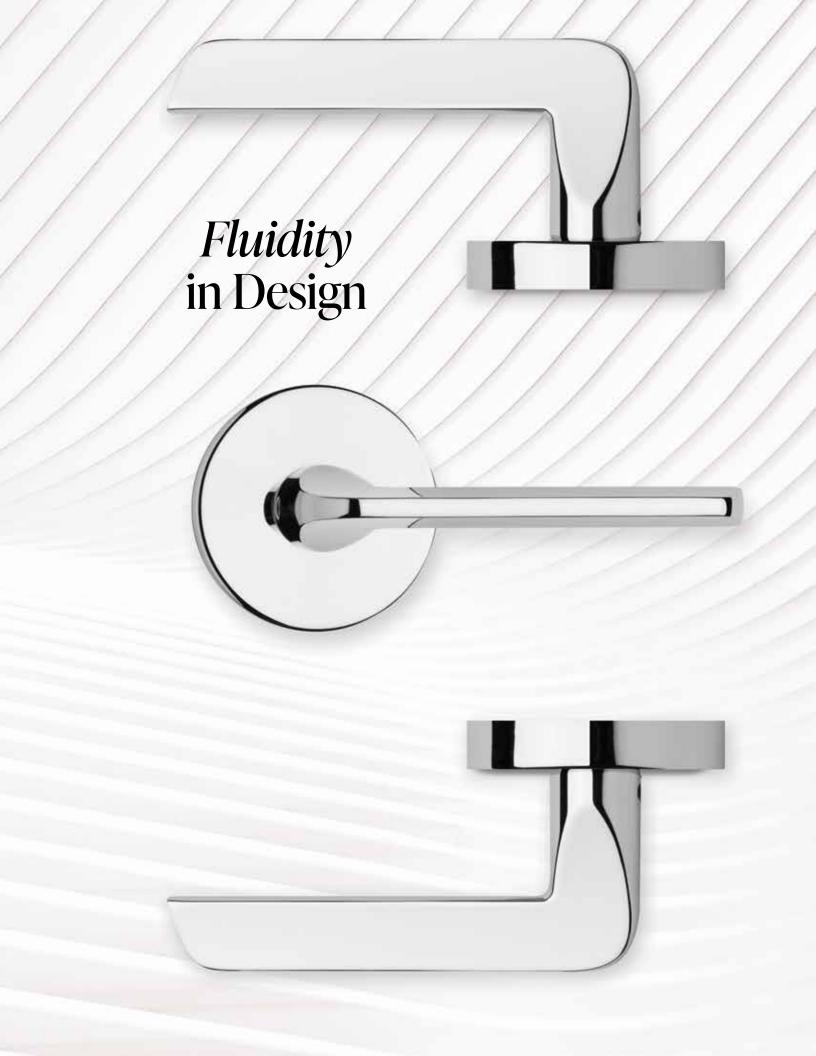

# Creating Lasting Impressions *Since 1948*

Family owned since 1948, the same enduring values that motivated founder Jake Zalkowitz continue to inspire our company today. Our passion to raise the creative bar, build partnerships with integrity, and execute service excellence fosters solutions that exceed expectations from first touch to lasting impression.

THE Slip Stream collection is an exclusive line of coordinated door and bath hardware. With a fluid, dynamic form that invites you to touch, slip stream's soft angles, gliding contours, and coordinated metal finishes lend distinction and grace to the refined interior.

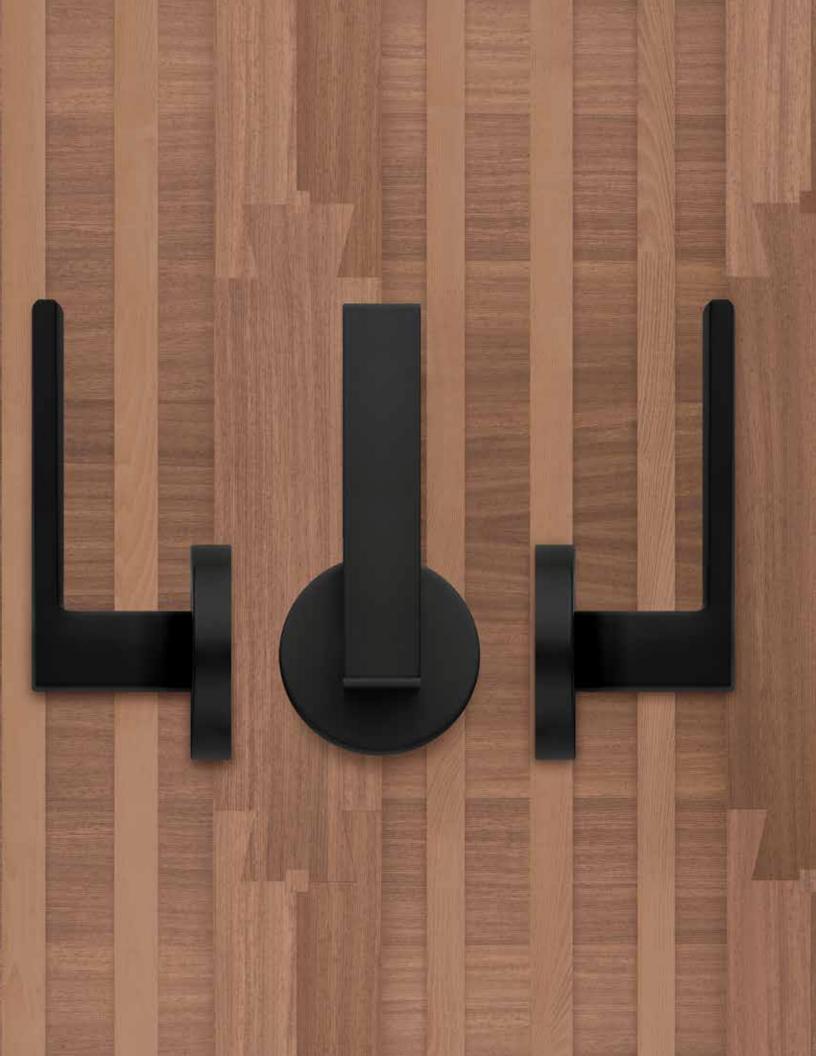

## Service & Experience

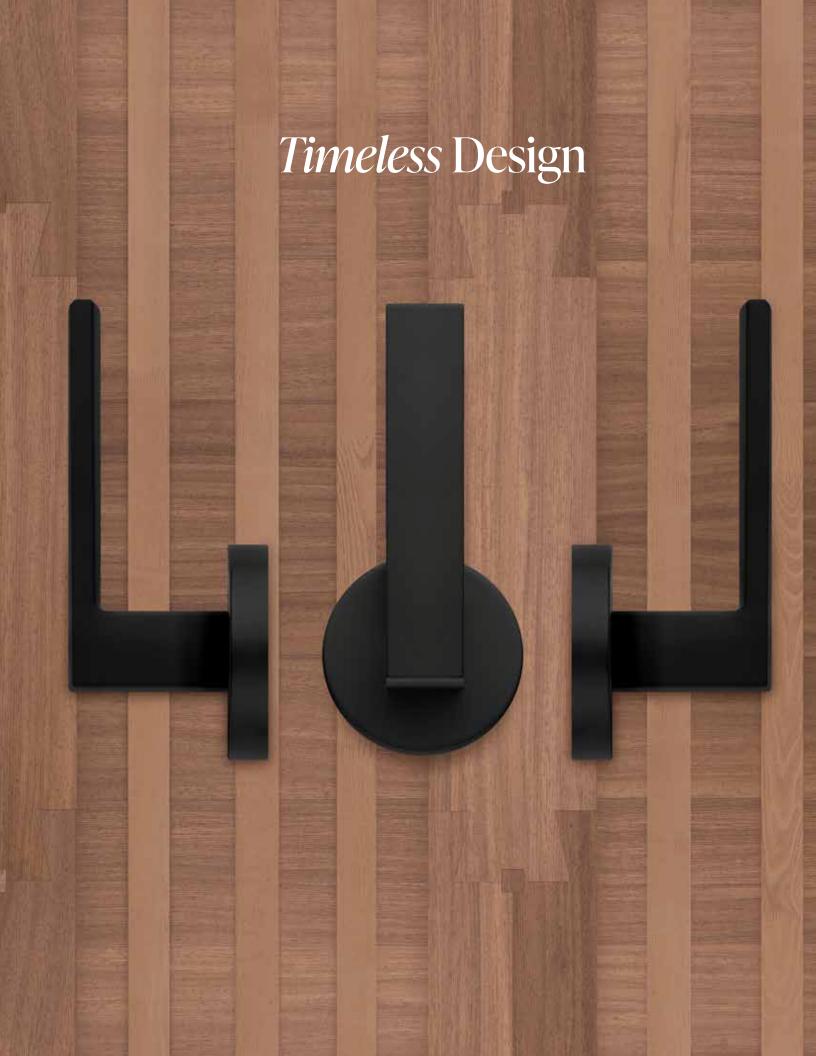

We believe in always putting the customer's needs first. It's a principle many companies aspire to but at Taymor it's ingrained deep in our DNA. For more than 70 years we've been building meaningful and trusted relationships with builders and their teams so we can support their ongoing success.

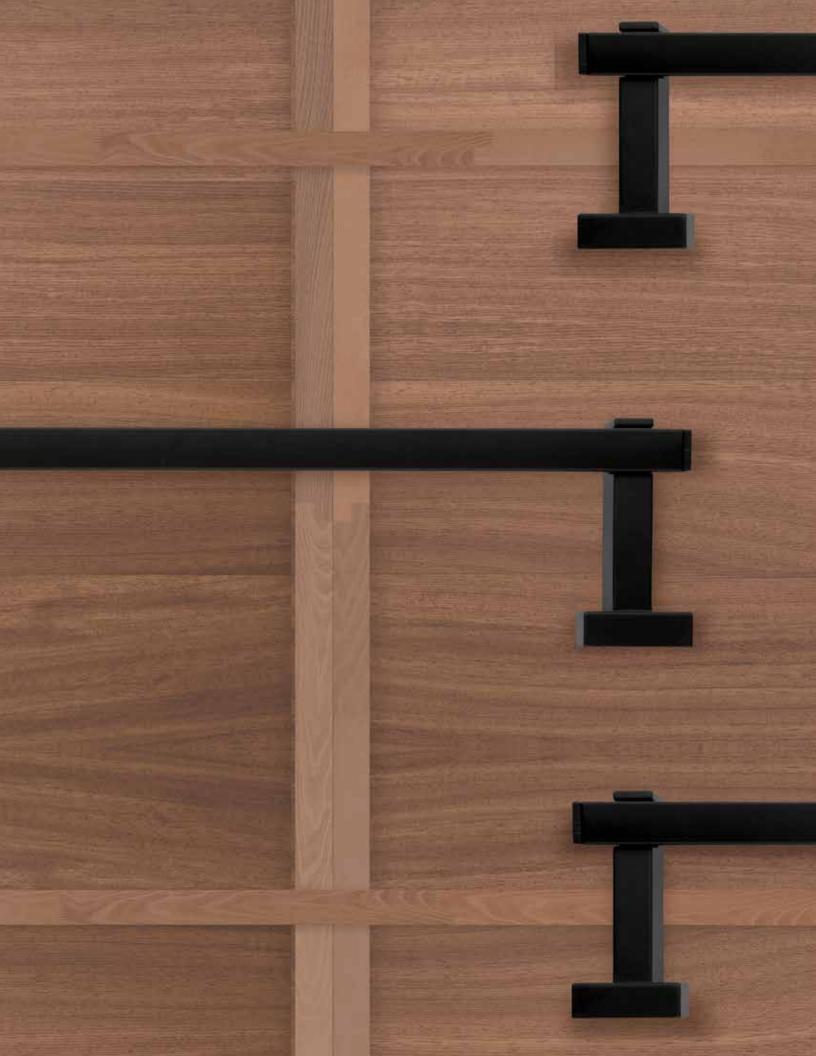

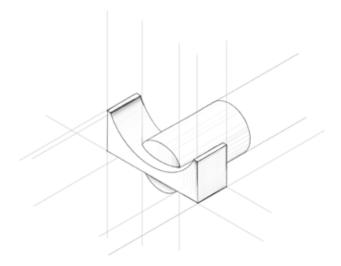

## Quality & Craft

We love the craft. That means creating lasting impressions from your very first touch. Our in-house product design teams continually refine and enhance products for durability, ease of install, and performance. The end result is tangible. A level of quality you can feel in your hand.

# "Always there when you need them."

Working with Taymor, we know that a solution is only a call away. Whether we need new material or have an issue on a project, our Taymor representative is always available.

If there's a problem, Taymor probably knows about it before we do because they're in constant contact with the development site.

Our customers love value, but they're also very discerning. That's why Taymor's quality hardware and affordability make them a perfect extension of our brand.

#### **ERIC ANDREASEN**

SENIOR VICE PRESIDENT, SALES & MARKETING

ADERA DEVELOPMENT CORPORATION

# "Trust, reliability, and a fresh approach to design."

RDG's success is built in part on excellent relationships with our suppliers, and it's why we value our long-term partnership with Taymor.

We want our consumers to have a good experience with us. That starts with superior design and function across all of our projects. Taymor helps us by consistently delivering high-quality, affordable hardware solutions.

We've worked exclusively with Taymor for twelve years, so we know what to expect. But Taymor's unique and fresh approach to hardware also gives our interior designers the ability to create new and enhanced looks and feels for our spaces.

**JOHN REMPEL** 

**PRESIDENT** 

**RDG MANAGEMENT LTD.** 

# "Great relationship. *Great Company.*"

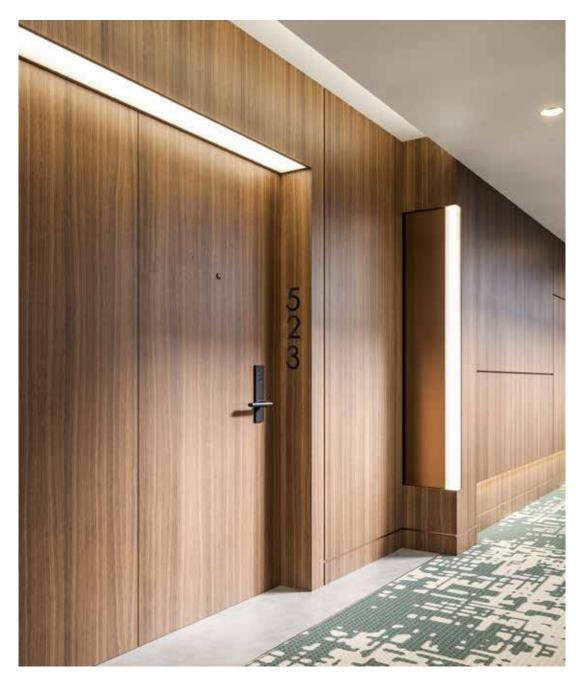

Greystar is the global leader in rental housing. We design under an ethos of serenity, peace, and simplicity, and Taymor products fit the bill perfectly with their clean lines, simple profiles, and longevity.

Working with Taymor is always seamless. They make quality products that are elegant, affordable, and that complement the overall palette of our units while adding a touch of excitement.

# **Keying Options**

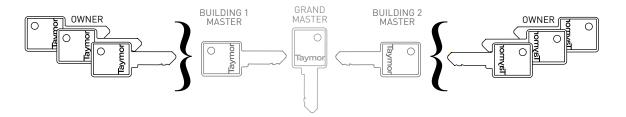

**KEYED ALIKE (KA)** systems are a perfect solution for single-family homes where homeowners may want one key to open multiple locks; for example, the front entrance and the back door.

**KEYED DIFFERENT (KD)** systems are common in multi-family buildings where each unit opens with a unique key.

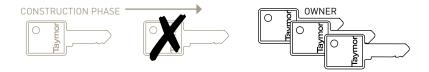

MASTER KEYING (MK) systems are common in multifamily, commercial and institutional buildings where multiple levels of building access are required. Individual units each have a unique key and the master key permits access to all units for maintenance, and management staff as well as first responders.

**GRAND MASTER KEYING (GMK)** allows the owner or strata responsible for multiple buildings to have one grand master key that operates all locks. Individual units have a unique key while each building has a master key that permits access to all areas—or to targeted areas—for tenants, maintenance, and management staff as well as first responders.

**CONSTRUCTION KEYING (CK)** allows the contractor of a project full access during the construction period. Once the owner's key is inserted, operation by the initial construction key is permanently disabled.

**DOUBLE KNOCKOUT CONSTRUCTION KEYING (CKRK)** adds a realtor key between the construction key and the owner key, which essentially allows a real estate professional to get temporary access until final handover to the buyer occurs. Once the owner's key is inserted, operation by the realtor key is permanently disabled.

# **Exterior Hardware**

Whether you're looking to add efficiency or wanting to make a great first impression, Taymor exterior hardware allows you to personalize your look and enhance the curb appeal of your home.

## Commercial Locks & Hardware

Designed for today's demanding architectural requirements, Taymor's comprehensive line of commercial hardware delivers consistent, dependable performance across an array of applications. From cylindrical locks and deadbolts to door closers and exit hardware; our commercial program has everything necessary to keep your entryways fully functional and up to code.

DUKE LOCKSET I SATIN CHROME

#### **MAKING THE GRADE**

Taymor meets performance standards set by the Builders Hardware Manufacturers Association (BHMA) and the American National Standards Institute (ANSI) for builder's hardware. The standards are defined by grades in which there are progressive levels of performance benchmarks. The purpose of standardized ANSI/BHMA product grades is to help identify the quality and durability of door hardware through a series of operational and security tests.

ANSI GRADE 1 ANSI GRADE 2 ANSI GRADE 3

**Grade 1** is the strongest grade available for maximum duty commercial applications.

**Grade 2** is designed and built to offer excellent security and durability for heavyduty commercial applications.

**Grade 3** offers reliable security for both residential and light-commercial projects.

# **Keying Options**

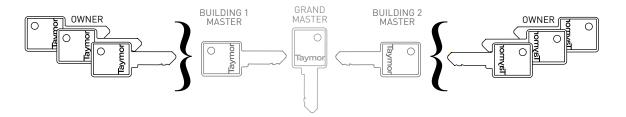

**KEYED ALIKE (KA)** systems are a perfect solution for single-family homes where homeowners may want one key to open multiple locks; for example, the front entrance and the back door.

**KEYED DIFFERENT (KD)** systems are common in multi-family buildings where each unit opens with a unique key.

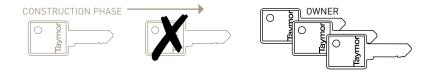

MASTER KEYING (MK) systems are common in multifamily, commercial and institutional buildings where multiple levels of building access are required. Individual units each have a unique key and the master key permits access to all units for maintenance, and management staff as well as first responders.

**GRAND MASTER KEYING (GMK)** allows the owner or strata responsible for multiple buildings to have one grand master key that operates all locks. Individual units have a unique key while each building has a master key that permits access to all areas—or to targeted areas—for tenants, maintenance, and management staff as well as first responders.

**CONSTRUCTION KEYING (CK)** allows the contractor of a project full access during the construction period. Once the owner's key is inserted, operation by the initial construction key is permanently disabled.

**DOUBLE KNOCKOUT CONSTRUCTION KEYING (CKRK)** adds a realtor key between the construction key and the owner key, which essentially allows a real estate professional to get temporary access until final handover to the buyer occurs. Once the owner's key is inserted, operation by the realtor key is permanently disabled.

# **Handleset Customization**

Customize the styling of any Taymor Premier or Professional Series® handleset with deadbolt, lever or knob interior trim options, a matching square or round decorative rose, and multiple finishes to match your other Taymor locks or home décor.

**PLEASE NOTE:** The Strait handleset shown below is for illustrative purposes only.

#### **CUSTOMIZATION TIPS**

- Explore the catalogue to see all Premier and Professional Series<sup>®</sup> inside trim options
- Coordinate the deadbolt interior trim with the decorative rose style (square or round)
- Match all interior trim finishes for a streamlined look

# Fire Rating

20 MINUTE FIRE RATING - for Residential Locks that are fire rateable, denoted with  $\lozenge$  (excludes Interconnect and Mortise Locks that come 3-hour fire rated) - add \$15.15 to the list price of the lock.

#### **HOW TO ORDER**

- > Use the existing item code with the fire rating code that matches the product line
- > Product item code + fire rating code
- Use the table below and examples to the right to create an item code for the item you would like to fire rate

PRODUCT LINE	PREMIER	PROFESSIONAL	BUILDERS

# **Warranty Information**

#### DOOR HARDWARE, RESIDENTIAL & COMMERCIAL LOCKS/HARDWARE WARRANTY

Taymor is pleased to offer a Lifetime Mechanical and Finish Warranty against defects in materials and workmanship for one full year to the original purchaser, effective from the date of purchase, unless otherwise specified. Taymor provides a Lifetime Finish Warranty against corrosion, tarnishing, discolouration, and environmental impacts on its products; however, this does not apply to scratches, abrasions, normal wear and tear, accidental damage, corrosive or abrasive cleaning agents or misused products. This warranty is nontransferable and applies to products installed in a residential setting. Commercial use is only covered for our Commercial products as outlined in the chart below. Taymor is not liable for damages caused by incorrect installation nor incidental or consequential damages. At the company's discretion, Taymor will replace any part or finish that proves to be defective in material and/or workmanship under normal installation, use and service.

#### **BATH HARDWARE & FAUCETS WARRANTY**

Taymor is pleased to offer a Lifetime Warranty against defects in materials and workmanship, to the original consumer purchaser from the date of purchase, as long as the original consumer purchaser owns the home in which the product(s) are installed.

This warranty excludes products that have been damaged through misuse, accidental damage, alteration, normal wear and tear, or by the use of corrosive or abrasive cleaning agents. This warranty applies to products installed in a residential setting. Purchasers for industrial, commercial and business usage are covered by a 5 year limited warranty from the date of purchase.

Taymor is not liable for damages caused by incorrect installation nor incidental or consequential damages. At the company's discretion, Taymor will replace any part or finish that proves to be defective in material and/or workmanship under normal installation, use and service. This warranty does not cover shipping costs, labor costs or any other cost associated with the installation or replacement of the product/parts and is extended only to the original consumer purchaser of the product(s). The original sales receipt must be supplied to Taymor for all warranty claims.

Taymor recommends using a certified plumber for installation and repair of faucets.

\*\*Taymor Fundamentals faucets are backed by a 1 Year Limited Warranty from date of purchase

#### **CARE & CLEANING TIPS**

Taymor uses advanced technology to create a finish highly resistant to the effects of weather and normal wear and tear. Over time, frequency of use will cause some finishes to gracefully age in appearance. Additionally, exposure to atmospheric conditions and elements such as cleaning chemicals may cause some changes to occur. These finish changes are not considered manufacturing defects and are not covered by warranty. Rather, they are indicative of normal wear and tear. As always, following the manufacturer's care instructions will safeguard the longevity of your cherished Taymor product.

D0: Clean the product with mild soap and warm water. For best results, dry immediately with a soft, clean cloth.

**DON'T:** Do not use abrasive sponges or scouring agents for cleaning. We also advise against the use of solvents or acidic cleaners, lime scale removers, household vinegar and cleaning agents containing acetic acid.
